<sup>1</sup>The unknown summary total includes students who are unknown in all areas or unknown in some areas and met in others. Students who are unknown in some areas and NOT met in others are included in the "Did not meet state standards in one, two, or all three areas" category.

<sup>2</sup>Students who met state standards upon entry are given only one year to pass a first college-level course in the related accountability measure; however, this report includes three years of college-level course completion data for students who met the standard.

<sup>3</sup>Unknowns by area include students with waivers or military exemptions who have not been reported as meeting TSI on a performance measure for that area.
