

ACADEMIC PROBATION

Lamar State College
— Orange —

A student is placed on academic probation when their overall grade point average (GPA) at the end of a semester drops below an average of a 2.0.

Academic probation is divided between two levels.

P1: Level 1 Academic Probation

- Class registration is limited to 12 credit hours.
- Receive a good academic standing when your overall GPA is above a 2.0.
- Removal of probation limits if GPA remains above a 2.0.
- Transfer to P2 probation if your GPA remains below a 2.0.

P2: Level 2 Academic Probation

- Class registration is limited to 7 credit hours.
- Receive a good academic standing when your overall GPA is above a 2.0.
- Transfer to P1 probation if your Term GPA is above a 2.0.
- Withdraw one semester of study if your Term GPA is below a 2.0.

Success does not always follow a predictable path. Our lives are complex and success does not look the same for every student. Many students go through probation and continue on with strong academic careers.

LSCO offers in-person and online counseling, tutoring, career planning, and additional services support services that can get you back on your path to success.
