A message from the Executive Director of College Affairs

Lamar State College Orange places the safety and health of employees and students as our number one priority. We are pleased to distribute this 2021 Annual Security Report (ASR) for our beautiful campus on the Sabine River. The ASR is prepared annually in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) and subsequent amendments specified in the Higher Education Opportunity Act (HEOA) and the Violence Against Women Act (VAWA).

The ASR is an overall guide for many safety and security policies and can serve as a guide regarding education and prevention programs that are available on our campus. The ASR also provides crime statistics for the 2018-2020 calendar years for your review.

The Office of College Affairs is responsible for the preparation and dissemination of the ASR. The Safety and Security Department is under the umbrella of College Affairs and works closely with division members to develop the ASR. The Safety and Security Department's primary focus is on the safety and well-being of our students, faculty, staff, and visitors. They strive to collaborate with the Gator Community to ensure that the responsibility of safety and security is shared by everyone on our campus.

If you have questions about Lamar State College Orange's Annual Security Report, please contact me at 409-882-3922 or patty.collins@lsco.edu.

Lamar State College Orange **2021** Annual Security Report

Introduction

Published each year, the Lamar State College Orange Annual Security Report provides you with information on security-related services offered by the college in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. This document has been prepared with information provided to the LSCO Safety and Security Department and the Executive Director of College Affairs office. It summarizes college programs, policies, and procedures designed to enhance your personal safety while you are at LSCO. The LSCO Annual Security Report is available online on the Campus Safety and Security webpage at http://www.lsco.edu/security/security.asp.

<u>Preparation of Annual Security Report and Disclosure of Crime Statistics</u>

The information contained in this document was prepared under the guidelines established by 20 United States Code, section 1092(f), known as the "Jeanne Clery, Disclosure of Campus Security Policy and Campus Crime Statistics Act," (The Clery Act) and the Code of Federal Regulations. The information represents a description of Lamar State College Orange's safety and security policies and programs, and the crime statistics for the most recent calendar year and the two preceding calendar years.

The data is obtained from reports made to LSCO Safety and Security Department, the Orange Police Department, and Campus Security Authorities (CSA), Responsible Employees, and members of the Title IX Response Team. Campus crime data is gathered the same day that it is reported. Data is obtained annually from the Orange Police Department and compared with the data gathered at the college. The resulting data is used to prepare the annual crime statistics report.

Each year, the College notifies all enrolled students and employees, via email that they can view the report at https://www.lsco.edu/security/LSCO-2021-ASR.pdf. Prospective employees and students are notified about the availability and location of the report via the online job application portal and the student application process.

The LSCO Safety and Security Department maintains a Daily Crime log which is available to the public for review, at the LSCO Safety and Security Office in the Academic Center, from 8 a.m.—5 p.m. Monday through Friday, excluding holidays. The crime log is submitted to the Office of College Affairs and used to prepare the crime statistics. The City of Orange Police Department provides a list of crimes reported to them that are in and around our campus. These are also included in the crime statistics. Campus Security Authorities, Responsible Employees, and members of the Title IX Response Team are responsible for reporting all information regarding crimes to the Safety and Security Department.

Accessibility to Information and Non-Discrimination Statement

Lamar State College Orange is committed to providing equal access and opportunity for all persons regardless of race, sex, color, religion, national origin or ancestry, age, marital status, disability, sexual orientation, gender identity, or veteran status, in employment, educational programs, and activities and admissions. LSCO complies with Title IX of the Higher Education Amendments of 1972 (Title IX), which prohibits discrimination on the basis of sex in educational programs or activities; Title VII of the Civil Rights Act of 1964 (Title VII), which prohibits sex discrimination in employment; Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination based on disability, the Age Discrimination Act of 1975, which prohibits discrimination based on age, and the Campus Sexual Violence Elimination Act. Sexual misconduct, as defined in the College's Sexual Misconduct Policy, constitutes a form of sex discrimination prohibited by Title IX and Title VII.

For questions concerning our non-discrimination policy, you may contact our Title IX Coordinator Patty Collins at 409-882-3922 or the Office for Civil Rights at 214-661-9600.

About the Lamar State College Orange Safety and Security Department

LSCO Safety and Security Office

LSCO's Safety and Security Department is located in the Academic Center, 410 W. Front Street, Orange, TX 77611. On campus security can be reached at 409.670.0789. The 24/7 emergency number answered by Orange Police Department dispatch is 409.883.1026.

Our Safety and Security Department is a full-service department providing safety, security, and crime prevention services to the Gator community. LSCO Safety and Security Department works to minimize crimes on campus. In an emergency, dial 409.670.0789 from any phone or there are telephones located in the hallways of all the campus buildings, which dial directly to campus security.

Campus safety and security officers have enforcement authority on property owned and controlled by the college. Campus safety and security officers are authorized by state statute to enforce federal and state laws within their jurisdiction, including the power to make arrests on property owned or controlled by the college, in addition to rules and regulations issued by the Board of Regents of LSCO. Under Section 51.203, Texas Education Code; Campus Peace Officers, states in part: "The governing boards of each state institution of higher education and public technical institute may employ and commission peace officers for the purpose of carrying out the provisions of this subchapter. The primary jurisdiction of a peace officer commissioned under this section includes all counties in which property is owned, leased, rented or otherwise under the control of the institution of higher education or technical institute that employs the peace officer or otherwise in the performance of their duties."

Safety and Security officers patrol all LSCO campus facilities. They patrol on foot or in golf carts marked with SECURITY. LSCO officers are available to provide escort service to anyone whom may be concerned with their safety.

The LSCO Safety and Security Department is responsible for maintaining a Daily Crime log. The crime log contains information concerning crimes that were reported to the Safety and Security Department via the victim, campus CSA's, Responsible Employees, members of the Title IX team, or local law enforcement. Data in the report includes; date/time crime was reported, nature/classification of crime, date/time crime occurred, general location, and the disposition. The Daily Crime log is accessible in person in the Safety and Security Department located in the Academic Center Building, Room 149, during normal business hours.

LSCO's Safety and Security Department (Department) provides new student and employee orientation sessions throughout the year. During these sessions, the Department provides a program designed to make community members aware of campus safety and security procedures, awareness programs, and crime prevention efforts. The Department provides safety tips, updated frequently on the College website, to encourage students and employees to be responsible for their own safety and the safety of others.

LSCO's Safety and Security Team provides campus escort service for the Gator Community. Community members can call 409-670-0789 and request an escort at any time during operating hours.

Emergency phones are strategically placed throughout the campus. When picked up, the caller is automatically connected to the Safety and Security Department.

Working Relationship with Local Law Enforcement Agency

LSCO officers enjoy a good working relationship with federal, state, local, city, and county law enforcement authorities, including Orange Police Department and the Orange County Sheriffs Department. The Safety and Security Department's working relationship with other area law enforcement agencies ensures that crimes and violations at nearby campus sites may be reported to LSCO officers and, if further assistance is needed, at on-campus locations.

LSCO has a memorandum of understanding with the City of Orange Police Department. The MOU addresses the investigation of criminal incidents occurring at this location.

LSCO Safety and Security partners with other areas of campus to run drills, trainings, and followup education (generally by email) on Active Shooter scenarios, building evacuation preparation, and fire concerns for college employees, students, and campus guests. These events happen throughout the semester.

Accurate and Prompt Reporting Options

Gator Community members and all visitors are encouraged to accurately and promptly report potential criminal activity, suspicious behavior, and any emergency on campus, on public property running through or immediately adjacent to the campus, or on other property that is owned or controlled by Lamar State College Orange, to the LSCO Safety and Security Department by calling 409-670-0789 and to the Orange Police Department at 409-883-1026. Crimes should

be accurately and promptly reported to the LSCO Safety and Security or the appropriate police agency, when the victim of a crime elects to, or is unable to, make such a report. Although a victim of a crime may decline to report the incident, the College supports, encourages, and will assist those who have been the victim of a crime or an observer to report the incident to campus security, local law enforcement, any Campus Security Authority, a Responsible Employee, or anonymously report through our STOP!T platform. Any alleged criminal actions (including sex offenses) or emergencies that occur on or off campus of the College can be reported in the following ways;

LSCO's Safety and Security Team (L-R); Officer Mike Dempsey, Director, Joseph Hargrave, and Officer Timothy Talbert

For Emergencies

Dial 911 or use any emergency telephone located throughout the campus that will automatically dial the Safety and Security Department. The 24/7 emergency number answered by Orange Police Department dispatch is 409.883.1026. Emergencies include any crime in progress, medical emergencies, a suspected kidnapping, a suspicious car driving on campus, an intoxicated person, a safety hazard, or any situation you believe to be suspicious or dangerous.

For Non-Emergencies

On campus security can be reached at 409.670.0789 or personally by visiting the Safety and Security Department in the Academic Building, Room 149.

Responsible Employees

All employees of the College, except professional mental health, pastoral, or other licensed professionals legally bound by professional/client privileges when functioning in that capacity, are considered to be "Responsible Employees." Responsible employees are required to report issues of concern on campus, especially Title IX information.

Campus Security Authorities

Campus Security Authorities (CSAs) are a more defined group of employees who have received special training. Students are informed that CSAs are individuals to speak with when reporting concerns. CSAs must report immediately to campus security all crimes or reports of criminal activity

that are brought to their attention for purposes of including them in the annual statistical disclosure and assessing them for issuing a Timely Warning Notices, when deemed necessary.

Campus Security Authorities include, but are not limited to the following: Building Liaisons, Title IX Coordinator, Title IX Deputy Coordinators, and the Director of Physical Plant. A list of <u>Campus Security</u> Authorities can be found on our website.

Voluntary Confidential Reporting

If you are the victim of a crime and do not want to pursue action within the College system or criminal justice system, you may still want to consider making a confidential or anonymous report in accordance with the TSUS Sexual Misconduct Policy, specifically, sections 4.2.8 and 4.7 and 4.8.

Voluntary or Anonymous Reporting

Lamar State College Orange has adopted STOP!T, a technology platform that will help mitigate, deter, and control harmful and inappropriate behavior as well as help create a positive and safe learning environment for our campus community. STOP!T will be an integral part of our effort to deter and mitigate risks associated with sexual harassment and assault, Title IX, the Clery Act, hazing, violence, and other threats to student safety. STOP!T provides a mobile app, allowing students immediate access to the reporting platform, and website access available via a computer or tablet. Students can download the app from iTunes or Google Play or access the website from any browser.

Pastoral and Professional Counselors

While LSCO requests that all crimes on the campus be reported promptly, we do support pastoral and professional obligations to not disclose or report certain incidents. LSCO does not have any pastoral or professional counselors on our campus. We do refer students to third party entities to provide such services.

Pastoral Counselor

An employee of an institution, who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling and who is functioning within the scope of that recognition as a pastoral counselor.

Professional Counselor

An employee of an institution whose official responsibilities include providing psychological counseling to members of the institution's community, and who is functioning within the scope of his or her license or certification.

LSCO encourages pastoral counselors and professional counselors, if and when they deem appropriate, to inform the persons they are counseling of LSCO's procedures for reporting crimes. LSCO maintains a strong working relationship with local agencies that provide support to our students.

Additionally, LSCO is not required to provide a timely warning with respect to crimes reported to pastoral or

professional counselors that go unreported to LSCO officials.

The Gator Community should report crimes and emergencies to the LSCO Safety and Security Department in order to be assessed for issuing timely warning notices and for inclusion in the annual LSCO partners with crime statistics. outside professional counseling and health appropriate services and encourages them to inform persons seeking their services of the opportunity to report crimes on a voluntary, confidential basis for inclusion in the College's annual disclosure of crime statistics.

Response to a Report

LSCO's Safety and Security Department is available during normal operating hours and can be reached at 409.670.0789 or Orange Police Dispatchers are available 24 hours a day to answer your calls at 409.883.1026. In response to a call, LSCO will take the required action, either dispatching an LSCO Safety and Security Officer or Orange Police Officer or asking the victim to report to LSCO Safety and Security Department or the Orange Police Department to file an incident report. All reported crimes will be investigated by the College and may become a matter of public record.

All LSCO Safety and Security incident reports are forwarded to the Office of College Affairs for review and referral to the Dean of Student Services for potential action, as appropriate. LSCO Investigators will investigate a report when it is deemed appropriate. Additional information obtained via the investigation will also be forwarded to the Office of College Affairs and/or the Dean of Student Services. If assistance is required from the Orange Police Department or the Orange Fire Department, LSCO Safety and Security will contact the appropriate unit. If a sexual assault or rape should occur, staff on the scene, including LSCO Safety and Security, will offer the victim a wide variety of services.

Campus Procedures for Timely Warning Reports – Crime Alerts

Prompt and accurate reporting of criminal offenses aids in providing a timely response and timely warning notices to the Gator Community when appropriate and assists in compiling accurate crime statistics. LSCO provides timely warning notices to the campus community when a Clery Act crime is reported to have occurred on LSCO's Clery Act Geography (On Campus, Public Property and Noncampus property), that, in the judgement of LSCO's Director of Safety and Security or designee constitutes a serious or continuing threat, a campus wide "timely warning" notice will be issued. These warnings will be distributed if an incident is reported to LSCO Safety and Security directly or indirectly through a local police agency or by a Campus Security Authority (CSA). These warnings will contain the following:

- Information about the crime that triggered the warning
- Information that would promote safety
- Information that would aid in the prevention of similar crimes

Timely warnings will be distributed as soon as pertinent information is available, in a manner that withholds the names of victims as confidential, and with the goal of aiding in the prevention of similar occurrences. Timely Warnings are typically issued for the following Uniform Crime Reporting Program (UCR)/National Incident Based Reporting System (NIBRS) crime classifications:

- Aggravated assault (cases involving assaults among known parties, such as two roommates
 fighting which results in an aggravated injury, will be evaluated on a case-by-case basis to
 determine if the individual is believed to be an ongoing threat to the larger LSCO community)
- Major incidents of Arson
- Manslaughter by negligence
- Murder/Non-negligent manslaughter
- Robbery involving force or violence (cases including pick pocketing and purse snatching will typically not result in the issuance of a Timely Warning Notice, but will be assessed on a caseby-case basis)
- Sex offenses (considered on a case-by-case basis depending on the facts of the case, when and where the incident occurred, when it was reported, and the amount information known by

the LSCO Director of Safety and Security, or designee). In cases involving sexual assault, they are often reported long after the incident occurred, thus there is no ability to distribute a "timely" warning notice to the community. All cases of sexual assault, including stranger and non-stranger/acquaintance cases, will be assessed for potential issuance of a Timely Warning Notice.

• Other Clery crimes as determined necessary by the LSCO Director of Safety and Security, or his or her designee in his or her absence.

Timely Warning Notices may also be posted for other crime classifications and locations, even though that is not required by the law, at the sole discretion of LSCO.

LSCO authorities will make a decision concerning issuing of a timely warning on a case-by-case basis using the following criteria:

- Nature of the crime
- Danger and continuing danger to the campus
- Risk of compromising law enforcement efforts

The LSCO Director of Safety and Security or designee reviews all reports to determine if there is an on-going threat to the community and if the distribution of a timely warning is warranted. Timely warnings may also be posted for other crime classifications and locations, as deemed necessary. These crimes are normally reported directly to LSCO's campus safety and security department. However, sometimes they are reported to local law enforcement agencies or CSAs. LSCO's campus safety and security department has requested that local law enforcement agencies and CSA's notify LSCO about crimes reported to them that may require timely warnings.

Timely Warning notices are distributed through LSCO's emergency notification system, BlackboardConnect. Notification methods can include; text message, email, and/or telephone call. Timely Warning notices are written and distributed by the Executive Director of College Affairs or the Director of Safety and Security and distributed through BlackboardConnect.

Warnings will contain information about the nature of the threat and allow members of the community to take protective actions. All employees and students are automatically signed up for BlackboardConnect alerts. If you are not receiving alerts, please review the "Disseminating Information on Campus Crime" section of this handout to ensure your contact information is included.

The institution is not required to issue a Timely Warning with respect to crimes reported to a pastoral or professional counselor.

Investigations of Campus Crime

LSCO Safety and Security Officers, with assistance of LSCO Director of Safety and Security, conduct investigations with regard to all incidents reported to LSCO. Officers will review reports of alleged criminal activity and either send an officer immediately or refer the report for subsequent investigation, depending upon the nature and seriousness of the offense involved. Individuals reporting an alleged crime should attempt to preserve evidence that might prove the crime was committed. Incidents involving legal matters will be turned over to the Orange Police Department for full investigation. LSCO's Department of Safety and Security will work with local law enforcement officers to provide access to information and knowledge obtained during the initial reporting.

Disseminating Information on Campus Crime

Media Relations: The Public Relations & Development Office prepares news releases on crimes for distribution to campus media, the KOGT radio station, and other media outlets, as needed.

Campus Newsletter: The LSCO Times (a campus newsletter) has access to updated daily crime log information from the Safety and Security department.

Crime Stoppers: The Orange Police Department and the LSCO Safety and Security Department develop information regarding criminal activity. When information is needed or one wishes to report a crime, the local Crime Stopper program is sometimes utilized.

Crime Alert Notification: The Director of Safety and Security or other designated College employee may alert Faculty, Staff, or Students by other means that may include campus e-mail, postings on designated websites, or through departmental communications.

Emergency Alert Notifications (BlackboardConnect) For incidents that are deemed to be an emergency that will affect the Gator Community in the immediate and represent a serious or continuing threat to students and employees, the BlackboardConnect Emergency Alert Messaging System will be implemented by the Executive Director of College Affairs or other designated college employee. BlackboardConnect notifies via voicemail, email, or text (as set up by the recipient).

Employees can update their contact information by completing the <u>LSCO Personal Event Form found</u> on <u>Blackboard</u> and return to the *Human Resource Department*. Students can update their information by contacting the admissions department.

The BlackboardConnect Alert message, audience, and timing of dissemination are determined by the Director of Safety and Security and the Office of College Affairs. In non-emergency situations, a coordinated review by the President's cabinet may take place.

The BlackboardConnect Alert system is tested periodically by the Office of College Affairs.

Security of and Access to Campus Facilities

The President of Lamar State College Orange is authorized by the Board of Regents of the Texas State University System to establish and administer regulations and procedures to provide for the security of campus buildings, equipment, and personnel. This includes the installation and maintenance of a key system and policies governing the use of that system. In accordance with administrative policy 5.20, the President has delegated the administration of the Key Control System to the Director of Physical Plant in consultation with the Director of Safety and Security.

The Director of Physical Plant will designate a key mechanic who will maintain all campus locks and manufacture keys as needed. No other person is authorized to install, alter, or remove locks without the approval of the President or the Director of Safety and Security.

Our Safety and Security Department is a full-service department providing safety, security, and crime prevention services to the Gator community. LSCO Safety and Security Department works to minimize crimes on campus. In an emergency, dial 409.670.0789 from any phone or there are telephones located in the hallways of all the campus buildings, which dial directly to campus security.

LSCO Safety and Security Officers conduct routine patrols of campus buildings to evaluate and monitor security related matters. They patrol on foot or in golf carts marked with SECURITY.

Campus Facilities

Exterior access to facilities is generally available to faculty, staff, and students from 7 a.m. to 10 p.m., Monday through Thursday, and from 7 a.m. to 5 p.m. on Fridays. Weekend hours vary according to class schedules. Employees may request building access keys for use after hours. Employees receiving building access keys must agree to follow entrance/exit procedures and sign a waiver of liability acknowledging the absence of campus security during after hour periods.

LSCO does not have campus residence facilities.

Maintenance of Facilities

Lamar State College Orange maintains campus facilities in a manner that minimizes hazardous and unsafe conditions. Parking lots and pathways are illuminated with lighting. LSCO Safety and Security Department works closely with Physical Plant Department to address burned out lights promptly as well as malfunctioning door locks or other physical conditions that enhance security. The Physical Plant Department is responsible for the renovation, maintenance, repair, and operation of facilities at Lamar State College Orange. These responsibilities encompass routine maintenance, extraordinary repairs/renovations, and service requests from campus personnel/departments. The Physical Plant Department is responsible for all preventative maintenance including: monitor all buildings and mechanical systems to insure their integrity and proper operation; schedule and perform preventive maintenance on buildings and building-related equipment as necessary; maintain the safety of all facilities and equipment; coordinate the licensure and inspection of all building-related equipment/facilities as required by law. Other members of the College community are helpful when they report equipment problems to LSCO Safety and Security Department or to Physical Plant Department.

Emergency Response and Evacuation Procedures

Only portions of the Emergency Management and Business Continuity Plan have been included in this document. A full version of the plan can be located at http://www.lsco.edu/risk-management/emergency-management-and-business-continuity-plan.asp.

<u>Purpose</u>

The Emergency Management and Business Continuity Plan (EMBCP) is intended to establish policies, procedures, and organizational structure for mitigation, preparedness, response, and recovery to emergencies that are of sufficient magnitude to cause a significant disruption of the functioning of all

or portions of the College. This plan describes the roles and responsibilities of departments, units, and personnel during emergency situations. The basic emergency procedures are designed to protect lives and property through effective use of College and community resources. Since an emergency may be sudden and without warning, these procedures are designed to be flexible in order to accommodate contingencies of various types and magnitudes.

Emergencies occurring on campus should be reported to the Safety and Security Department at 409-670-0789.

This EMBCP addresses each type of emergency on an individual basis, providing guidelines for the containment of the incident. Section 5.1 provides emergency instructions for the College Incident Commander. Section 5.2 of this document provides emergency response information primarily for use by Staff, Faculty and other on-site personnel who may be initial responders to an emergency.

Scope

This plan is a College-level plan that guides the emergency response of College personnel and resources. It is the official emergency response plan of the College and precludes actions not in concert with the intent of this plan or the organization created by it. However, nothing in this plan shall be construed in a manner that limits the use of good judgment and common sense in matters not foreseen or covered by the elements of the plan.

This plan and organization shall be subordinate to federal, state or local plans during a disaster declaration by those authorities. This Emergency Management and Business Continuity Plan is consistent with established practices relating to coordination of emergency response. Accordingly, this plan incorporates the use of the Incident Command System to facilitate interagency coordination, promote the use of common emergency response terminology and command structure, and facilitate the flow of information between responding agencies.

The College will cooperate with the Office of Emergency Management, State, County, and City Police and other responders in the development of emergency response plans and participate in multi-jurisdictional emergency planning exercises.

Emergency Response

Lamar State College Orange regularly reviews and annually updates plans and procedures for emergency response and evacuation for the Gator Community. Emergency plans and procedures as well as a variety of additional resources are available in the full version of the Emergency Management and Business Continuity Plan and are available for viewing on the College's website.

The LSCO Office of College Affairs, (including Safety and Security, and Emergency and Risk Management departments), is responsible for conducting tests of emergency response and evacuation procedures through a variety of drills and exercises. In conjunction with other emergency agencies, the College conducts emergency response drills and exercises each year, such as tabletop exercises, field exercises, and tests of the emergency notification systems on campus. These tests, which may be announced or unannounced, are designed to assess and evaluate emergency plans and capabilities of the institution.

Each test is documented and includes a description of the exercise, the date and time of the exercise, and whether it was announced or unannounced.

Emergency notification systems are tested at least once annually, and emergency response and evacuation procedures are posted on our website for access by our Gator Community and the surrounding community.

The Safety and Security Department, in conjunction with the Safety, Security, IT and Risk Management Committee, utilize outreach programs to train and educate the Gator Community on how to respond to various types of hazards.

The campus publicizes a summary of the emergency response and evacuation procedures at faculty/staff convocation and/or via email at least once each year in conjunction with a test (exercise and drill) that meets all of the requirements of the Higher Education Opportunity Act.

The Office of College Affairs is responsible for the annual review, update, and publishing of the Emergency Management and Business Continuity Plan to the Gator Community. The plan is published on the college's website on the Emergency/Risk Management page.

LSCO's Safety and Security Department is usually the first to respond to emergencies occurring on LSCO's campus. Fire Department/Emergency Medical Services is provided by the City of Orange. LSCO's Safety and Security Team will work with the City of Orange responders as needed to resolve the situation.

Emergency (Immediate) Notification

Lamar State College Orange has developed a process to notify the campus community in cases of emergency. While it is impossible to predict every significant emergency or dangerous situation that may occur on campus, the following identified situations are examples which may warrant an emergency (immediate) notification after confirmation:

- Bomb/explosives threat suspicious package
- Campus disturbance/demonstration
- Civil disturbance, on or off campus
- Fire
- Hazardous release/spill, on or off campus

- Armed/Hostile intruder
- Natural disaster (severe weather)
- Public health crisis
- Terrorist incident, on or off campus
- Technology disaster
- Utility outage

Individuals can report emergencies occurring at Lamar State College Orange by calling 409-670-0789.

In the event of an emergency, Lamar State College Orange will initiate and provide, without delay, immediate notifications to the appropriate segment(s) of the College community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students, employee and visitors.

It is essential to all emergency response planning and action that a single College Incident Commander (CIC) be designated. This person must be in a position to bring the needed response to whatever incident may occur. The President or his designee is the College Incident Commander.

If the Director of Safety and Security, or designee, in conjunction with other College administrators, local first responders, Public Health Officials

and/or the National Weather Service, confirms that there is an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the LSCO community, the LSCO Executive Director of College Affairs and the Director of Safety and Security will collaborate to determine the content of the message and will use some or all of the systems described below to communicate the threat to the LSCO Community or to the appropriate segment of the community, if the threat is limited to a particular building or segment of the population.

In case of any type of emergency or dangerous situation involving an immediate threat to the life, safety, or security of the Gator Community, LSCO will without delay – and considering the safety of the community – determine the content of emergency notification messages and initiate the notification system. The content of the emergency notification will contain information that will aid the Gator Community in responding to a particular situation or provide evacuation procedures when/if necessary. Emergency notification will be issued unless issuing a notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a victim or contain, respond to, or otherwise mitigate the emergency.

The following campus officials have been designated to serve as authorized officials who are empowered to develop and approve the content and issuance of written emergency notifications:

- President
- Executive Director of College Affairs
- Director of Safety and Security

When an authorized official receives a report of an imminent or already occurring situation that poses an immediate threat to life, safety, or security on campus, they will confirm the report.

Depending on the situation, they may achieve confirmation through one or more of the following;

- Investigation by LSCO Safety and Security Department
- Investigation by other LSCO campus departments, including but not limited to College Affairs, Physical Plant, and/or Student Services
- Investigation by the City of Orange Police Department
- Orange County Emergency Management
- Texas Department of State Health Services

The LSCO authorized official will determine, consulting with other campus officials as appropriate, how much information will be disseminated. This determination will be made based on the following:

- Nature of the incident or threat
- Location of the incident or threat

Predictable events, such as a certain meteorological storm, are treated differently from emergency incidents. The Office of College Affairs is designated to monitor these events on a 24/7/365 basis. If a predictable weather-related storm becomes a threat to the Gator Community, the Executive Director of College Affairs will contact the CIC to discuss implementing the Tropical/Hurricane Storm plan and notification of the Gator Community.

The Gator Community, will be notified via BlackboardConnect of any emergency or dangerous situation. Notifications may be via phone, email, and/or text utilizing the BlackboardConnect system. Additional notification systems may include: email, fire alarms, posted advisory messages on Blackboard and/or our social media channels; and notifications from city, county, or state officials emergency systems. If any these systems fail or the College deems it appropriate, in person communication may be used to communicate an emergency.

Students and employees are encouraged to verify their contact information for accuracy and update it as soon as it changes. Students can update their information in the admissions office and employees can contact Human Resources to update their information.

The City of Orange utilizes a mass notification system called the Southeast Texas Alerting Network (STAN) to notify residents of emergency conditions. This service is provided free of charge, but the Gator Community must sign up for this service. If you are interested in signing up to receive emergency notifications from STAN, please visit their website at http://www.thestan.com/.

A combination of some or all of the above notification methods will be used to issue any necessary follow-up message to the Gator Community (except fire alarm). Information regarding the status of emergency situations will be developed and disseminated to the members of the larger community, including neighbors, parents and other interested parties as soon as possible. This information may come in the form of updates to LSCO's website, social media outlets, or direct communication with the media.

If there is an immediate threat to the health or safety of students or employees occurring on

campus, an institution must follow its emergency notification procedures. An institution that follows its emergency notification procedures is not required to issue a timely warning based on the same circumstances; however, the institution must provide adequate follow-up information to the community as needed.

Emergency Evacuation Procedures

When an evacuation of a building is ordered, the evacuation will be done in an orderly and safe manner. All faculty, staff, and students are to assemble in areas designated by the Emergency Management and Business Continuity Plan Coordinator. Evacuation orders may be given for multiple purposes. Building Liaisons will be responsible for notifying building occupants where the assemble area is. Emergency evacuation routes for each building, including assembly areas, are identified on Appendix D of the Emergency Management and Business Continuity Plan (EMBCP) and can be found on our website. The recommended evacuation routes and assembly points should be utilized by the Building Liaison in an emergency situation requiring evacuation.

When an evacuation of a building is ordered, the evacuation will be done in an orderly and safe manner. All faculty, staff, and students are to assemble in designated areas. Should a person have to remain in the building due to circumstances beyond his/her control, the Building Liaison will notify the arriving emergency response officials of the person's location and the condition of the individual (i.e., handicapped, wheelchair bound, injured, etc.).

Evacuation orders may be given for multiple purposes. During an evacuation, the fire alarm will generally be the first notification system utilized. However, depending upon the circumstances of the emergency, you may receive a text message through BlackboardConnect, a LSCO Safety and Security Officer, or other College official may instruct you to evacuate. If you are the first to discover a fire in any building on campus, you shall immediately pull the closest fire alarm switch, evacuate to a safe location, and notify LSCO's Safety and Security Team by calling 409-670-0789 or by dialing 911.

In order to safely evacuate a building, faculty, staff, and students should know the following;

- Where all emergency exits, alarm pulls, and fire extinguishers are located.
- Never assume the alarm is only a drill.
- When the alarm sounds, remain calm.
- Make sure employees/students in your area have heard the alarm and know to evacuate immediately.
- Turn off all equipment.
- Shut the door as you exit.
- Check restrooms and workrooms as you exit the building.
- Use exits away from any visible smoke or fire.
- Do **not** use the elevator.
- Anyone who is unable to exit on his or her own should be assisted to an area at the top of the stairs to await evacuation by the fire department. Do <u>not</u> block the stairs.

- Proceed to a previously designated area away from the building. Check class roll or have all students and employees sign a list so everyone is accounted for.
- Do not try to leave the parking area. Streets must remain clear to allow emergency vehicles access to the building.
- Do not return to the building until the Safety & Security Coordinator or Director of Physical Plant gives instructions to do so.

Procedures for evacuation and location of fire extinguishers and alarm pulls are posted in each classroom.

Shelter-in-Place

There are a number of emergency situations where an evacuation of a building and/or classroom is not advisable – tornadoes, hostile intruder, hazardous release outside, terrorist attack, etc. Please refer to the Shelter in Place document found on Blackboard under the Employee Resources/Work Life tab in the Safety Section.

What it Means to "Shelter-in-Place"

If an incident occurs and you are told to "shelter in place," it means finding a safe location indoors and staying there until you are given an "all clear" or told to evacuate by authorities. Thus, to "shelter-in-place" means to make a shelter of the building that you are in, and with a few adjustments this location can be made even safer and more comfortable until it is safe to go outside.

Shelter-in- Place Communications

- A "Shelter-in-Place" will be announced via BlackboardConnect.
- If a situation that may require a Shelter-in-Place is discovered, the individual making the discovery shall immediately contact LSCO's Safety and Security Department who will advise and provide as much information as possible.
- Fire evacuation alarms are not to be sounded.

Shelter-in-Place Procedures

- Lock classroom and other doors.
- Close windows & window treatments.
- Turn off lights.
- Everyone is to remain quiet and not enter hallways.
- Should the fire alarm sound, do not evacuate the building unless:
 - You have firsthand knowledge that there is a fire in the building, or
 - You have been advised by LSCO
 Officials or Local Law Enforcement to evacuate the building.
- Crouch down in areas that are out of sight from doors and windows.
- Students in hallways are to seek shelter in the nearest classroom.
- Students in outdoor areas should immediately take cover.

Stalking: is defined as engaging in a course of conduct directed at a specific person that would cause a reasonable person to (a) fear for his or her safety or the safety of others; or (b) suffer substantial emotional distress. [34 U.S.C. 12291 (a)(30) and Texas Penal Code Section 42.072.]

Consent

The state of Texas defines consent, in relation to sexual activity, as follows: "consent" means assent in fact, whether express or apparent.

The institution's definition of consent and the purposes for which that definition is used. Consent is an informed and freely and affirmatively communicated willingness to participate in a particular sexual activity. Consent can be expressed either by words or by clear and unambiguous actions, as long as those words or actions create mutually understandable permission regarding the conditions of each instance of sexual activity.

It is the responsibility of the person who wants to engage in the sexual activity to ensure that s/he has the consent of the other to engage in each instance of sexual activity. (The definition of consent for the crime of sexual assault in Texas can be found at Texas Penal Code Section 22.011). The College will consider the following factors in determining whether consent was provided:

- 1. consent is a voluntary agreement or assent to engage in sexual activity;
- 2. someone who is incapacitated cannot consent;
- 3. consent can be withdrawn at any time;
- 4. past consent does not imply future consent;
- 5. silence or an absence of resistance does not imply consent;
- 6. consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another;
- 7. coercion, force, or threat invalidates consent; and
- 8. being intoxicated or under the influence of alcohol, drugs, or any other substance is never an excuse for engaging in Sexual Misconduct.

How to Be an Active Bystander

Bystanders play a critical role in the prevention of sexual and relationship violence. They are "individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it." We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. Below is a list² of some ways to be an active bystander. Further information regarding bystander intervention may be found. If you or someone else is in immediate danger, dial 911. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

- 1. Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.
- 2. Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
- 3. Speak up when someone discusses plans to take sexual advantage of another person.
- 4. Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
- 5. Refer people to on or off campus resources listed in this document for support in health, counseling, or with legal assistance.

Risk Reduction

With no intent to victim blame and recognizing that only abusers are responsible for their abuse, the following are some strategies to reduce one's risk of sexual assault or harassment (taken from Rape, Abuse, & Incest National Network, www.rainn.org):

- 1. **Be aware** of your surroundings. Knowing where you are and who is around you may help you to find a way to get out of a bad situation.
- 2. Try to avoid isolated areas. It is more difficult to get help if no one is around.
- 3. Walk with purpose. Even if you don't know where you are going, act like you do.
- 4. **Trust your instincts.** If a situation or location feels unsafe or uncomfortable, it probably isn't the best place to be. If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).
- 5. **Try not to load yourself down** with packages or bags as this can make you appear more vulnerable.
- 6. **Make sure your cell phone is with you** and charged and that you have cab money or one or more transportation apps on your cell phone, connected to a bank account or credit card with funds.
- 7. **Don't allow yourself to be isolated** with someone you don't trust or someone you don't know.
- 8. **Avoid putting music headphones in both ears** so that you can be more aware of your surroundings, especially if you are walking alone.
- 9. When you go to a social gathering, go with a group of friends. Arrive together, check in with each other throughout the evening, and leave together. Knowing where you are and who is around you may help you to find a way out of a bad situation.

¹ Burn, S.M. (2009). A situational model of sexual assault prevention through bystander intervention. *Sex Roles, 60,* 779-792.

² Bystander intervention strategies adapted from Stanford University's Office of Sexual Assault & Relationship Abuse

- 10. **Don't leave your drink unattended** while talking, dancing, using the restroom, or making a phone call. If you've left your drink alone, just get a new one.
- 11. **Don't accept drinks from people you don't know or trust.** If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don't drink from the punch bowls or other large, common open containers.
- 12. Watch out for your friends, and vice versa. If a friend seems out of it, is way too intoxicated for the amount of alcohol they've had, or is acting out of character, get him or her to a safe place immediately.
- 13. If you suspect you or a friend has been drugged, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.). Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).
- 14. If you need to get out of an uncomfortable or scary situation here are some things that you can try:
 - a. **Remember that being in this situation is not your fault.** You did not do anything wrong, it is the person who is making you uncomfortable that is to blame.
 - b. **Be true to yourself.** Don't feel obligated to do anything you don't want to do. "I don't want to" is always a good enough reason. Do what feels right to you and what you are comfortable with.
 - c. Have a code word with your friends or family so that if you don't feel comfortable you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come to get you or make up an excuse for you to leave.
 - d. **Lie.** If you don't want to hurt the person's feelings it is better to lie and make up a reason to leave than to stay and be uncomfortable, scared, or worse. Some excuses you could use are: needing to take care of a friend or family member, not feeling well, having somewhere else that you need to be, etc.
- 15. Try to think of an escape route. How would you try to get out of the room? Where are the
 - doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?
- 16. If you and/or the other person have been drinking, you can say that you would rather wait until you both have your full judgment before doing anything you may regret later.

<u>Provisions Applicable to the Title IX Sexual Harassment Grievance Process</u>

Equitable Treatment

LSCO's response to an allegation of Sexual Misconduct must treat Complainants and Respondents equitably by offering Supportive Measures to Complainants and Respondents, and by following a grievance process as described herein against a Respondent prior to the imposition of any disciplinary sanctions or other actions that are not Supportive Measures.

Standard of Evidence

Presumption of Non-Responsibility. Any person accused of Sexual Misconduct under this Policy is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

Preponderance of the Evidence Standard. The Decision Maker will weigh the admissible evidence using the preponderance of the evidence standard.

College officials involved in the investigation or adjudication of domestic violence, dating violence, sexual assault and stalking complaints are trained annually on the issues related to domestic violence, dating violence, sexual assault, and stalking as well as how to conduct an investigation and hearing process that protects the safety of the victim and promotes accountability. Furthermore, each policy provides that:

- 1. The Complainant and the Respondent will have timely notice for meetings at which the Complainant or Respondent, or both, may be present;
- 2. The Complainant, the Respondent and appropriate officials will have timely and equal access to any information that will be used during formal and informal disciplinary meeting and hearings;

Conflicts of Interest

Any individual designated by LSCO as a Title IX Coordinator, Investigator, Decision Maker, Informal Resolution Facilitator, Appellate Authority, or Campus Administrator may not have a conflict of interest or bias for or against Complainants or Respondents generally, or against an individual Complainant or Respondent. The Title IX Coordinator shall not serve as Decision Maker, Informal Resolution Facilitator, or Appellate Authority.

Promptness

The College shall make every reasonable effort to ensure that the resolution of a Sexual Misconduct Complaint or Report occurs in as efficient a manner as possible, with an expectation that the process (exclusive of any appeal procedures) will generally be completed within one hundred and twenty (120) calendar days of the date a Complaint or Report is submitted.

Modification of Deadlines

The Title IX Coordinator may modify any deadlines contained in this Policy as necessary to accomplish the purposes stated and for good cause, including, but not limited to, complexity of the investigation and to accommodate semester breaks.

Immunity/Amnesty

Reporting, investigating, and adjudicating incidents of Sexual Misconduct is of paramount importance. The College does not condone underage drinking, illegal use of drugs, or other criminal behavior. However, the College will not take any disciplinary action for prohibited conduct in relation to or concurrently with an incident of Sexual Misconduct, against a person who is enrolled with or employed by the College for any violation of the College's applicable code of conduct, provided:

- the person acts in good faith;
- the violation of the code of conduct arises out of the same facts or circumstances as a Complaint or Report of Sexual Misconduct;
- the violation of the code of conduct is not punishable by suspension or expulsion; and,
- the person is not reporting his or her own commission or assistance in the commission of Sexual Misconduct.

Prohibition on Providing False Information

Any individual who knowingly makes a false Complaint or Report under this Policy, or knowingly

provides false information to College officials, or who intentionally misleads College officials who are involved in the investigation or resolution of a Complaint or Report shall be subject to disciplinary action. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this Policy does not constitute retaliation prohibited by this policy. A determination regarding responsibility, alone, is not sufficient to conclude that any Party made a materially false statement in bad faith.

Supportive Measures

When an incident of Sexual Misconduct is reported, regardless of whether a Victim elects to pursue a criminal complaint or whether the offense is alleged to have occurred on or off campus, the College will assist Victims of sexual assault, domestic violence, dating violence, and stalking and will provide each Victim with a written explanation of his or her rights and options. The determination of appropriate Supportive Measures in a given situation must be based on the facts and circumstances of that situation. At the victim's request, and to the extent of the victim's cooperation and consent, college offices will work cooperatively to assist the victim in obtaining accommodations. If reasonably available, a victim may be offered changes to academic, working, protective measures or transportation situations regardless of whether the victim chooses to report the crime to campus security or local law enforcement.

The Title IX Coordinator is responsible for coordinating the effective implementation of Supportive Measures, and the duration of such measures. To request changes to academic, transportation and/or working situations or protective measures, a victim should contact the Title IX Coordinator by email at titleixcoordinator@lsco.edu; by phone at 409-882-3922; or in person in the Ron Lewis Building, Room 352.

If the victim wishes to receive assistance in requesting these accommodations, she or he should contact the following; Students may contact the Dean of Student Services, Brian Hull at brian.hull@lsco.edu; by phone at 409-882-3342; or in person in the Ron Lewis Building, Room 355. Employees may contact the Director of Human Resources, Lora Rives at lora.rives@lsco.edu; by phone at 409-882-3343; or in person in the Ron Lewis Building, Room 218.

Supportive Measures may include, but are not limited to:

- counseling provided by a counselor who does not provide counseling to any other person involved in the incident, including a person who reports an incident of Sexual Misconduct;
- extensions of deadlines or other course-related adjustments;
- without any academic penalty, modifications of work or class schedules or assignments, including the option of dropping a course in which both Parties are enrolled;
- campus escort or transportation services;
- mutual restrictions on contact between the Parties;
- changes in work locations if employed on campus;
- leaves of absence;
- restrictions from specific activities or facilities; and,
- increased security and monitoring of certain areas of the campus.

<u>Orders of Protection:</u> The College will honor any order of protection, no contact order, restraining order or similar lawful order issued by any criminal, civil, or tribal court.

Lamar State College Orange complies with Texas law in recognizing orders of protection (temporary ex parte order of protection, final order of protection, and restraining order), by: any person who obtains an order of protection from Texas criminal, civil, or tribal court_or any state in which a registered student has permanent residence. A copy of the order should be provided to LSCO Safety and Security Department and the Office of the Title IX Coordinator. A complainant may then meet

with the Safety and Security Department to develop a Safety Action Plan, which is a plan for campus security and the victim to reduce risk of harm while on campus or coming and going from campus. This plan may include, but in not limited to: escorts, special parking arrangements, changing classroom location or allowing a student to complete assignments from home, etc. The College cannot apply for a legal order of protection, no contact order or restraining order for a victim from the applicable jurisdiction(s).

The victim is required to apply directly for these services from the appropriate legal jurisdiction. The Office of the Title IX Coordinator will assist victims with locating and contacting the correct office. Protection from abuse orders may be available through Orange Police Department, Orange County Sheriffs Department, or other local law enforcement agencies.

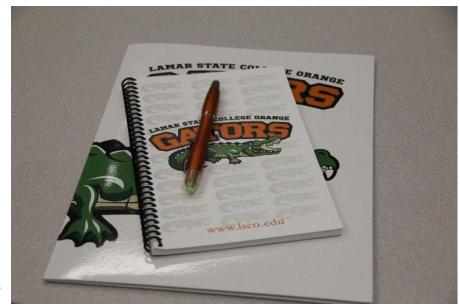

The College may issue an institutional no contact order if deemed appropriate or at the request of the Complainant or Respondent. If the College receives a report that such an institutional no contact order has been violated, the College will initiate disciplinary proceedings appropriate to the status of the Respondent (student, employee, etc.) and will impose sanctions if the accused is found responsible for violating the no contact order.

<u>Confidentiality of Information</u>: Complainants or Respondents who would like to request directory information be protected should contact the Director of Admissions/Registrar's office at 409-882-3318 or in person in the Ron Lewis Building, Room 343.

Regardless of whether a Complainant or Respondent has opted-out of allowing the College to share "directory information," personally identifiable information about the either person and other necessary parties will be treated as confidential and only shared with persons who have a specific need-to-know, i.e., those who are investigating/adjudicating the report or those involved in providing support services to the victim, including accommodations and protective measures. By only sharing personally identifiable information with individuals on a need-to-know basis, the College will maintain as confidential, any accommodations or protective measures provided to the Complainant and/or

Respondent, to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodation or protective measures.

The College does not publish the name of crime victims or other identifiable information regarding victims in the Daily Crime Log or in the annual crime statistics that are disclosed in compliance with the Jeanne Clery Disclosure of

Campus Security Policy and Campus Crime Statistics Act. Furthermore, if a Timely Warning Notice is issued on the basis of a report of domestic violence, dating violence, sexual assault or stalking, the name of the victim and other personally identifiable information about the victim will be withheld.

Emergency Removal: Emergency removal of an Employee or Student prior to a final decision in a Sexual Misconduct matter must comply with System Rules and Regulations Chapters IV § 2.2(14), V § 2.131, and VI § 5.(14). A College may remove a Respondent from the College's Education Program or Activity on an emergency basis, provided that the College undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the Respondent with notice and an opportunity to challenge the decision immediately following the removal. The removal challenge does not require a hearing and the burden is on the Respondent to show why the removal should be rescinded.

<u>Administrative Leave</u>: Nothing herein precludes a College from placing a non-student employee Respondent on administrative leave with or without pay during the pendency of the grievance or any judicial process.

Supportive Measures when Anonymity is Required

The College's inability to take disciplinary action against an alleged Respondent because of a Complainant's insistence on anonymity will not restrict the College's ability to provide appropriate measures for the reasonable safety of the College community.

Unreasonable Burden

Supportive Measures may not impose an unreasonable burden on the other Party.

Failure to Adhere to Supportive Measures

Failure to adhere to the parameters of any Supportive Measures may be considered a separate violation of this Policy and may result in disciplinary sanctions.

Reporting Incidents of Sexual Misconduct

General Information

Each College will identify and provide complete contact information for their Title IX Coordinator and all Deputy Coordinators in various locations, including but not limited to the College's website; the Student's handbook; the Dean of Students Office; Human Resources; and Campus Security; or their equivalents. Once a Complaint or Report of Sexual Misconduct is received by the College, the Title IX Coordinator will determine the appropriate grievance process for resolution.

Victim Reporting Options

Although a victim of Sexual Misconduct may decline to report the incident, the College supports, encourages, and will assist those who have been the victim of Sexual Misconduct to report the incident to any of the sources below. The alleged victim may use a pseudonym form when making a report to a law enforcement agency.

<u>Title IX Coordinator</u>: If you have been the victim of domestic violence, dating violence, sexual assault, or stalking, you should report the incident promptly to the Title IX Coordinator, (Patty Collins, 409-882-3922, titleixcoordinator@lsco.edu, Ron Lewis Building, Room 352) by calling, writing or coming into the office to report in person. Reports of all domestic violence, dating violence, sexual assault and stalking made to Campus Security or a Campus Security Authority (CSA) will automatically be referred to the Title IX Coordinator for investigation regardless of if the complainant choses to pursue criminal charges.

- Any incident of Sexual Misconduct may be brought to the attention of the Title IX Coordinator.
- The Title IX Coordinator will discuss with the reporting Party the options for:
 - Filing a Formal Complaint of a Title IX Sexual Harassment incident, if applicable; or,
 - Filing a Report of a Non-Title IX Sexual Misconduct incident, if applicable.

Official with Authority: An individual may report alleged Sexual Misconduct to an Official with Authority. A Report to an Official with Authority will impose Actual Knowledge on the College provided the reported incident of Sexual Misconduct meets the definition of Title IX Sexual Harassment. LSCO will identify and provide contact information of the Official with Authority in various locations, including but not limited to the College's website and the applicable online handbooks.

<u>Campus Security/Local Law Enforcement</u>: An individual may report an incident of Sexual Misconduct to Law Enforcement (including the Campus security and/or local police). Although the College strongly encourages reporting Sexual Misconduct to the police, it is the victim's choice whether or not to make such a report. Furthermore, victims have the right to decline to notify law enforcement. However, the College Security Officers or the Title IX Coordinator will assist any victim with notifying law enforcement if the victim so desires. Orange Police Department may also be reached directly by calling 409-883-1026, in person at 201 N. 8th Street, Orange, TX. Additional information about the Orange Police department may be found online at: http://www.orangepd.com/.

A victim may request administrative action by the College with or without filing a police report. Filing a police report does not obligate the victim to continue with criminal proceedings or College disciplinary action. LSCO will provide to the victim the contact information for the campus safety and security department.

<u>Campus Security Authority</u>: A Report of Sexual Misconduct may be made to a Campus Security Authority (CSA) as defined in each College's Annual Security Report. All CSAs will promptly inform the Title IX Coordinator of the Complaint or Report and comply with all other reporting obligations required by the Clery Act.

<u>Electronic Reporting</u>: Each College shall provide an option for electronic reporting of an incident of Sexual Misconduct. The electronic reporting option must:

- enable an individual to report the alleged offense anonymously; and
- be easily accessible through an identifiable link on the College's website home page.

Anonymous Reports: Individuals who chose to file anonymous reports are advised that:

- it may be very difficult, and in some cases, not possible for the College to investigate an anonymous Report; and
- filing a Report is not necessary in order to secure Supportive Measures.

<u>Responsible Employee Mandatory Reporting</u>: A Responsible Employee who has knowledge of Sexual Misconduct must report promptly to the Title IX Coordinator all relevant details known to the Employee about the alleged Sexual Misconduct shared by the Complainant or Reporting Party. A Responsible Employee must share all information relevant to the investigation, and if applicable, redress of the incident, including whether the Complainant has expressed a desire for confidentiality in reporting the incident.

- Before a Complainant reveals any information to a Responsible Employee, the Employee should inform the Complainant of the Employee's reporting obligations. If the Complainant requests anonymity and confidentiality, the Employee should refer the Complainant to Confidential Employees. A Responsible Employee may not honor a request for anonymity or confidentiality.
- A Responsible Employee should not share information with law enforcement without the Complainant's consent, unless the Complainant has also reported the incident to law enforcement.
- If the Complainant reports an incident to the Responsible Employee and requests confidentiality or no investigation, the Employee should tell the Complainant that the College will consider the request, but cannot guarantee that the College will be able to honor it. In reporting the details of the incident to the Title IX Coordinator, the Responsible Employee will inform the Title IX Coordinator of the Complainant's request for confidentiality or no investigation.
- A Responsible Employee will promptly report to the Title IX Coordinator all incidents of Sexual Misconduct, provided:
 - the employee is in the course and scope of employment at the time the employee witnesses or receives information regarding the occurrence of Sexual Misconduct;
 - o the employee reasonably believes the incident constitutes Sexual Misconduct; and,
 - the incident of Sexual Misconduct was committed either by or against an enrolled Student or an Employee of the College at the time of the Sexual Misconduct.
- A College may expand, but shall not narrow, the reporting obligations of Responsible Employees under this subsection.
 - A College that expands the reporting obligations of a Responsible Employee shall inform such Responsible Employees of their mandatory reporting obligations.

<u>Confidential Employees</u>: Each College will identify and provide contact information for Confidential Employees in various locations, including but not limited to the College's website and appropriate online handbooks. These Confidential Employees will assist in a crisis and provide information about possible resources, some of which may include law enforcement, medical assistance, psychological counseling, victim advocacy assistance, legal assistance, College disciplinary action, immigration services, and criminal prosecution. Training for Confidential Employees may be through their professional organizations, if any, or through the Title IX Coordinator. A Confidential Employee who

receives information about an incident of Sexual Misconduct shall report to the Title IX Coordinator only the type of incident reported and provide such information to the College's Clery Act Coordinator for purposes of the College's Annual Security Report.

LSCO does not employ any confidential employees.

Termination for Failure to Report or Making a False Report

A College shall terminate an Employee if it determines to have either:

- knowingly failed to make a report of Sexual Harassment, Sexual Assault, Dating Violence, or Stalking when the Responsible Employee was required to do so; or
- knowingly made a false Report of Sexual Harassment, Sexual Assault, Dating Violence, or Stalking with intent to harm or deceive.

No Report Required

An Employee is not required to report an incident of Sexual Misconduct to the Title IX Coordinator if:

- the Employee was the victim of such conduct; or,
- the Employee received information due to a disclosure made at a public awareness event sponsored by a College or by a Student organization affiliated with the College.

Request for Anonymity by Complainant

- When considering reporting options, Complainants should be aware that Confidential Employees are permitted to honor a request for anonymity and can maintain confidentiality.
- With the exception of Confidential Employees, College personnel have mandatory reporting and response obligations, regardless of the Complainant's request for anonymity or confidentiality.
- The Complaint or Report shall be used as an anonymous Report for data collection purposes under the Clery Act.

Preservation of Evidence

Preservation of evidence is critical in incidents of Sexual Misconduct. If you experience sexual violence, you are encouraged to seek immediate medical care as soon as possible at Christus St. Elizabeth Hospital, 3650 Laurel Avenue, Beaumont, TX, 409-892-7171. Also, preserving DNA evidence can be key to identifying the perpetrator in a sexual violence case.

Victims can undergo a medical exam to preserve physical evidence with or without police involvement. If possible, this should be done immediately. If an immediate medical exam is not possible, individuals who have experienced a sexual assault may have a Sexual Assault Forensic Exam (SAFE) performed by a Sexual Assault Nurse Examiner (SANE) within 4 days of the incident. With the victim's consent, the physical evidence collected during this medical exam can be used in a criminal investigation; however, a person may undergo a SAFE even without contacting, or intending to contact, the police. To undergo a SAFE, go directly to the emergency department of the nearest hospital that provides SAFE services. In Texas, evidence may be collected even if you chose not to make a report to law enforcement.

The Non-Reported Sexual Assault Evidence Program was created in HB 2626 by the 81st Legislature and went into effect June 21, 2009. The program allows survivors of a sexual assault to obtain a medical forensic exam and have evidence collected, without cost to the victims, even if they do not wish to involve law enforcement at the time of evidence collection. This allows the evidence to be secured while giving the survivor time to consider whether they want to report the assault. A patient who has requested and obtained a non-reported sexual assault medical forensic examination has up to two years to decide to report the crime. Information related to the program can be found in Chapter 56.065 Code of Criminal Procedure.

It is important that a victim of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen/area where they were assaulted if the offense occurred within the past 96 hours so that evidence may be preserved that may assist in proving that the alleged criminal offense occurred/or is occurring or may be helpful in obtaining a protection order. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted infections. Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to College adjudicators/investigators or police.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with the Safety and Security Department or other law enforcement to preserve evidence in the event that the victim decides to report the incident to law enforcement or the College at a later date to assist in proving that the alleged criminal offense occurred or that may be helpful in obtaining a protection order.

Title IX Sexual Harassment Grievance Process

LSCO's entire Sexual Misconduct Policy and Procedures can be found on our website at https://www.lsco.edu/titleix/TSUS-Sexual-Misconduct-Policy-Rev-8-2020.pdf. This policy applies to all faculty, staff, and students at Lamar State College Orange.

Informal Resolution

<u>Eligibility for Informal Resolution</u>: Informal Resolution is available after a Formal Complaint has been filed in a Title IX Sexual Harassment incident or a Report has been received in a Non-Title IX Sexual Misconduct incident. Informal Resolution may be pursued if:

- both Parties are willing to engage in Informal Resolution and consent to do so in writing;
- the Complainant and the Respondent are both Students or are both Employees of the College;
- the Title IX Coordinator agrees that Informal Resolution is an appropriate mechanism for resolving the Complaint; and
- the College provides written notice to the Parties in accordance with this policy.

<u>Informal Resolution Procedures</u>: The Title IX Coordinator shall provide written notice to the Parties of the availability of informal resolution, including:

- the allegations;
- the requirements of the informal resolution process, including the circumstances under which the Parties are precluded from resuming a Formal Complaint arising from the same allegations;
- any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared; and,
- the Parties' right to withdraw consent to informal resolution at any time prior to reaching an agreement, and resume the grievance process.

<u>Referral for an Investigation</u>: The Title IX Coordinator will terminate informal resolution and continue the investigation if:

- The parties are not able to reach an agreement prior to the exhaustion of the administrative process,
- One or more of the Parties withdraws consent to informal resolution, or,
- Title IX Coordinator determines that informal resolution is no longer appropriate.

Formal Resolution

<u>Filing a Formal Complaint</u>: Incidents of Sexual Misconduct should be reported as per the reporting section of this Policy. A Formal Complaint may be filed with the Title IX Coordinator, Patty Collins in person in the Ron Lewis Building, Room 352, by mail at 410 W. Front Street, Orange, TX 77630, or by electronic mail to titleixcoordinator@lsco.edu and any additional method designated by the College.

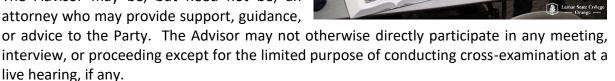

<u>Cases Initiated by the Title IX Coordinator</u>: If the Title IX Coordinator signs a Formal Complaint, the Title IX Coordinator is not a Complainant or otherwise a Party.

Notice of Allegations: In response to a Formal Complaint the College must give written notice of the allegations to the Parties. This notice must include:

- notice of the College's grievance process, including informal resolution;
- sufficient details of the allegations known at the time;
- identities of the Parties involved;
- the conduct allegedly constituting Title IX Sexual Harassment;
- the date and location of the alleged incident;
- a statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility will be made at the conclusion of the grievance process;
- that the Parties may have an Advisor of their choice, who may be, but is not required to be, an attorney;
- that the Parties may inspect and review evidence gathered during the process;
- that knowingly making false statements or knowingly submitting false information during the grievance process is prohibited; and,
- the availability of Supportive Measures to the Complainant and Respondent.

Right to Advisor:

- Each Party may be accompanied by an Advisor of their choice to any related meeting, interview, or proceeding.
- If a Party does not have an Advisor to conduct cross-examination at the live hearing, the College will provide the Party with an Advisor, who need not be an attorney, for the limited purpose of conducting cross-examination at the live hearing.
- Each Party's Advisor is requested to meet with the Title IX Coordinator to discuss hearing procedure and protocols prior to the live hearing, if any.
- The College will not limit the choice of advisor or presence for either the Complainant or the Respondent in any meeting or institutional disciplinary proceeding.
- The Advisor may be, but need not be, an attorney who may provide support, guidance,

Consolidation of Complaints:

- A College may consolidate Formal Complaints as to allegations involving the same circumstances.
- A College may consolidate Formal Complaints involving allegations against more than one Respondent, or by more than one Complainant against one or more Respondents, or by one Party against the other Party, where the allegations arise out of the same facts or circumstances.

Investigation:

- <u>Scheduling</u>. An assigned Investigator will provide written notice to a Party whose participation is invited or expected, of the date, time, location, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the Party to prepare to participate.
- <u>Information Gathering</u>. Investigator will gather and review information from Complainant, Respondent, and Witnesses. Investigator shall conduct a site inspection, if necessary, and obtain other information as appropriate.
- <u>Equal Opportunity to Present Evidence and Witnesses</u>. All Parties will have equal opportunity to present fact and expert witnesses and other inculpatory and exculpatory evidence during the course of the investigation. A College may not restrict the ability of either Party to discuss the allegations under investigation, or to gather and present relevant evidence.
- <u>Burden on the College</u>. The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rests on the College and not on the Parties. However, a College cannot access, consider, disclose, or otherwise use a Party's Confidential Treatment Records, unless that Party consents to such access.
- <u>Privileges</u>. The process must not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.
- Right to Inspect and Review Evidence Prior to Completion of the Investigation. Once the assigned Investigator concludes all fact finding and evidence gathering activities, each Party and their respective Advisors must have equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations in the Formal Complaint, including the evidence upon which the College does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a Party or other source, so that each Party can meaningfully respond to the evidence prior to the conclusion of the investigation.
 - Each Party and their Advisor will be sent such evidence in electronic format or hard copy.
 Each Party will have ten (10) calendar days from the date they are notified to inspect, review, and respond to the evidence.
 - The written response of each Party, if any, must be considered by the Investigator prior to completion of the Investigative Report.

<u>Investigative Report</u>: Investigator will complete a written Investigative Report that includes summaries of interviews conducted; photographs, if any; documents and materials received; descriptions of relevant evidence; summaries of relevant electronic records; and a detailed report of the events related to the incident. When Investigator is not the Title IX Coordinator, the Investigative Report will be submitted to the Title IX Coordinator to ensure all elements of the investigation have been completed. The Title IX Coordinator will forward the Investigative Report to the Decision Maker.

<u>Notice of Hearing</u>: Upon completion of the Investigative Report, the Title IX Coordinator will send the Notice of Hearing and the Investigative Report to all Parties and their Advisors. The Notice of Hearing and Investigative Report will be sent no less than ten (10) calendar days prior to the scheduled hearing to allow all Parties an opportunity for response.

<u>Pre-Hearing Instructions</u>: The following items should be provided to the Decision Maker no later than three (3) calendar days prior to the date of hearing and apply equally to both Parties:

- any written response to the investigative Report;
- documents, or other evidence to be used at the hearing;
- the name of each witness who is to appear on that Party's behalf (witnesses not previously interviewed or identified may be allowed to testify only at the discretion of the Decision Maker); and,
- a list of initial questions and cross-examination questions for the opposing Party and any designated witness. Each Party, through their Advisor, will be permitted to conduct cross-examination even if written questions are not previously submitted by the Party

<u>Live Hearings</u>: All investigations not dismissed shall have a live hearing. The following are the participants at a live hearing:

- <u>Decision Maker:</u> The Decision Maker determines the relevancy of all questions asked during the hearing, may ask questions of any witness or Party during the hearing, and ultimately issues the written decision of responsibility and sanction, if any, after the hearing. The College's Title IX Coordinator or the Investigator who conducted the investigation or prepared the Investigative Report may not serve as Decision Maker.
- <u>Parties</u>: The Parties are the Complainant and Respondent. Each Party may give a statement, answer questions, present evidence, and witnesses, and cross-examine the other Party and witnesses through their Advisor.
- Advisor: Each Party is entitled to have an Advisor of their choice at the hearing. Each Party
 must have an Advisor to conduct cross-examination of the other Party and witnesses. An
 Advisor may, but is not required to be, an attorney. In addition to cross-examination, the
 Advisor may provide support, guidance, or advice to Complainant or Respondent, but may not
 otherwise directly participate in the hearing.
 - If a Party does not have an Advisor, the College will appoint an Advisor of the College's choice, without fee or cost to the Party, for the limited purpose of conducting crossexamination, including questions challenging the Party or witness's credibility. A College is not required to appoint an attorney as an Advisor.
- <u>Investigator</u>: The Investigator will be present at the hearing, and may answer questions from either Party about the investigation and the summary of evidence in the Investigative Report.
- <u>Title IX Coordinator</u>: The Title IX Coordinator may be present at the live hearing.

<u>Availability of Investigative Evidence</u>: The College must make all evidence subject to the Parties' inspection and review available at any hearing to give each Party equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination.

<u>Documents</u>: Each Party shall have the opportunity to present relevant documents to the Decision Maker for consideration at the hearing. Only documents and other evidence pre-submitted in accordance with this policy will be considered. Any assertion of fact that is contained within a document may not be considered by the Decision Maker unless the person making the assertion of fact in the document submits to cross-examination by the other Party's Advisor.

<u>Witnesses:</u> Each Party shall have the opportunity to present fact and/or expert witnesses to the Decision Maker for consideration at the hearing.

<u>Determination of Relevance of Questions</u>: Only relevant questions may be asked of a Party or witness during the hearing. Before a Party or witness answers a cross-examination or other question, the Decision Maker must first determine whether the question is relevant.

- Questions concerning a Party's prior sexual behavior are not relevant unless offered to prove
 - that someone other than the Respondent committed the alleged misconduct or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove Consent.
- The Decision Maker will explain to the Party's Advisor why a question excluded is not relevant. The Decision Maker's relevancy decision is final and may only be challenged as a procedural defect on appeal, as provided in this Policy.

<u>Live Cross-Examination (Directly, Orally, in real time):</u> The cross-examination of a Party or witness must be conducted by the other Party's Advisor, orally, and in real time. A Party may not directly question the other Party or witness.

<u>Excluding Statements from a Party or Witness Not Subject to Cross- Examination</u>: If a Party or witness does not submit to cross-examination at the hearing, the Decision Maker must not rely on any statement of that Party or witness in reaching a determination regarding responsibility; and the Decision Maker may not draw an inference about responsibility based solely on a Party's or witness's absence from the hearing or refusal to answer cross-examination or other questions.

<u>Alternative Hearing Locations</u>: The hearing may be conducted with all Parties and witnesses physically present in the same geographic location or, at the College's discretion, any or all Parties, witnesses, or other participants may appear at the hearing virtually. At the request of either Party, the College shall provide for the entire hearing, including cross-examination, to occur with the Parties in separate rooms with technology that enables the Parties to see and hear each other or the witness answering questions, at all times while the hearing is in session.

<u>Recording of Hearing Proceedings</u>: College shall create an audio or audiovisual recording, or transcript, of any live hearing and make such recording or transcript available to the Parties for inspection and review.

<u>Decision and Sanctions</u>: Once the live hearing has concluded, the Decision Maker will issue a written determination, which shall be sent simultaneously to the Parties, along with information about how

to appeal the determination. The contents of the decision will include:

- identification of the allegations potentially constituting Title IX Sexual Harassment;
- a description of the procedural steps taken from the receipt of the Formal Complaint through the determination, including any notifications to the Parties, interviews with Parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
- findings of fact supporting the determination;
- conclusions regarding the application of this Policy to the facts;
- a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the College imposes on the Respondent, and whether remedies designed to restore or preserve equal access to the College's Education Program or Activity will be provided by the College to the Complainant;
- the College's procedures and permissible bases for the Complainant and Respondent to appeal; and
- the identity and contact information of the appropriate Appellate Authority.

<u>Appeals</u>: Both Parties must be offered an appeal from a determination regarding responsibility, and from a dismissal of a Formal Complaint or any allegations therein.

- Grounds for Appeal: The only grounds for appeal are:
 - o procedural irregularity, including a relevancy determination, that affected the outcome of the matter;
 - new evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made and that could affect the outcome of the matter;
 - the Title IX Coordinator, Investigator, or Decision Maker had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant or Respondent that affected the outcome of the matter; and,
 - the Sanction is substantially disproportionate to the written decision.
- <u>Procedure for Appeal</u>: Either Party may appeal a dismissal or Decision Maker's determination by filing a written request to appeal, with supporting information, with the appropriate Appellate Authority within ten (10) calendar days of issuance of the decision. If a Complainant or Respondent appeals, the College must:
 - o notify both Parties simultaneously in writing within five (5) calendar days from when an appeal is filed and implement appeal procedures equally for both Parties;
 - give the non-appealing Party seven (7) calendar days from when the College notifies the non-appealing Party that an appeal has been filed to submit a written statement in support of, or challenging, the outcome, a copy of which will be provided to the appealing Party; and,
 - issue a written decision of any change to the result prior to the time that it becomes final, including the rationale therefor, simultaneously to both Parties within twenty-one (21) calendar days from the date the notice is issued. The decision of the Appellate Authority is final.

<u>Implementation of Sanction</u>: No sanction shall be implemented until the appeal, if any, has been concluded, or until the time for either Party to submit an appeal has elapsed.

<u>Implementation of Remedies</u>. Upon the issuance of the written determination and the conclusion of any appeal, if the Decision Maker determines remedies will be provided, the Title IX Coordinator will communicate with Complainant separately to discuss what remedies are appropriate to restore or preserve the Complainant's equal access to the College's Education Program or Activity.

College-Initiated Protective Measures

In addition to those protective measures previously described, the Title IX Coordinator or their designee will determine whether interim interventions and protective measure should be implemented, and, if so, take steps to implement those protective measures as soon as possible.

Examples of interim protective measures include, but are not limited to: A College order of no contact, adjustment of course schedules, extensions of deadlines or other course-related adjustments, a leave of absence, or reassignment to a different supervisor or position. These remedies may be applied to one, both, or multiple parties involved.³

Violations of the Title IX Coordinator's directives and/or protective measures will constitute related violations that may lead to additional disciplinary action. Protective measures imposed may be temporary pending the results of an investigation or may become permanent as determined by Lamar State College Orange.

Remedies

Remedies for a Finding of a violation of this Policy must be designed to restore or preserve equal access to the College's Education Program or Activity to the Complainant. Such remedies may include the same individualized services described in the "Supportive Measures" section of this policy; however, remedies need not be non-disciplinary or non-punitive and need not avoid burdening the Respondent.

- The Title IX Coordinator is responsible for the effective implementation of remedies.

Campus Drills

Campus drills should promote preparedness, improve the response capability of individuals, validate plans, policies, procedures and systems, and verify the effectiveness of command, control, and communication functions. Drills will vary in size and complexity to achieve different operational objectives.

The following types of drills can be used:

- Tabletop Drills simulate an activation of the EMBCP in an informal, stress-free environment. They are designed to promote constructive discussion as participants examine and resolve potential problems based on the plan.
- Functional Drills are interactive drills performed in real time that test the capability of the agency to respond to simulated continuity activation.
- Full-Scale Drills simulate continuity activation through field exercises designed to evaluate the executive of the plan in a highly stressful environment.

Drills are conducted to validate elements of the EMBCP, both individually and collectively. LSCO is committed to ensuring that realistic exercises are conducted, during which individuals and business units perform the tasks that are expected of them in a real event. Drills should be conducted on an annual basis.

Each drill activity, as well as actual events, will be evaluated and an After-Drill Report and Improvement Plan should be completed. evaluation will identify strengths and weaknesses and suggest areas for improvement that will enhance LSCO's preparedness. The information will be collected and prepared by the EMBCP Coordinator, and reviewed and approved by the Emergency Response Team. Once approved, the EMBCP Coordinator will incorporate applicable lessons learned into the EMBCP. Recommended evacuation routes and assembly points are located in the EMBCP, Appendix D.

Personal Safety and Crime Prevention Programs

Under the direction of the Director of Safety and Security, LSCO's Safety, Security, IT, and Risk Management Committee (Committee) is responsible for ensuring a safe and secure environment on our campus. The Committee is responsible for building inspections, recommendation of training modules, and to address concerns brought forth by the Gator Community concerning the safety and security of our campus. It is the intent of the Lamar State College Orange to inform students of good crime prevention and security awareness practices.

During the 2020-2021 academic year, LSCO offered approximately three crime prevention and security awareness programs. Topics such as personal safety, , drug and alcohol abuse awareness and sexual assault prevention are some examples of programs offered during the prior academic year.

All crime prevention and security awareness programs encourage students and employees to be responsible for their own security and the security of others. Participants in these programs are asked to be alert, security-conscious and involved and advised to call Campus Security to report suspicious behavior. For additional questions regarding crime prevention, contact the department directly at 409-882-3910.

The Department of Safety and Security focuses attention on crime prevention through increased emphasis on community-oriented policing. Throughout the academic year there will be group programs and individual counseling on crime prevention presented by campus security, Orange Police Department, and the local sheriff's department. Programs by the Criminal Justice Department are also available. The Director of Safety and Security speaks to new students during Fall and Spring orientation about general campus safety, crime prevention, reporting procedures and locations, as well as, guidance on any current trends on campus. Topics of these presentations include personal safety awareness, Rape Aggression Defense (R.A.D.) and property protection strategies. Anyone interested in having a LSCO Safety & Security Officer speak to his or her classroom or group should contact them at 409-882-3910.

Annual Fall and Spring Career Fair features non-profit agencies that provide information on prevention and awareness programs. Student Life offers programs throughout the year and specifically in April during Sexual Assault Awareness month that provide prevention and awareness strategies on the topic of sexual harassment, including sexual assault, dating violence, domestic violence, and stalking. Specific programs on campus (i.e., Nursing, Dental, and Criminal Justice) offer programs to students throughout the year utilizing guest speakers from community organizations to speak to students. These programs are open to all students and employees. Due to COVID-19, we were unable to host many of these programs during the 2020-2021 year.

LSCO offered the following **ongoing awareness and prevention online programs** for **students** in 2020-2021 (due to COVID-19, we were unable to host several of our on campus events):

<u>Denim Day:</u> A Sexual Assault Awareness and Prevention Panel of experts joined together to share valuable information and resources to LSCO faculty, staff, and students. Bonnie Potts from Family Services of Southeast Texas, Kim McKinney from the Garth House, Bard Anderson from the Orange County District Attorney's office, and Patty Collins, LSCO's Title IX Coordinator shared information on sexual assault awareness and prevention. <u>Managing Bias</u>: Understanding bias in the workplace is the first step to managing it. This course defines bias, describes how it affects the workplace, and encourages learners to use that knowledge to reduce the negative effects of bias. Employees will understand that biases can affect our actions, which can have real impacts on people, and that if left unchecked, biases can create unhealthy work environments that reinforce unjust practices.

<u>Procedures the College Will Follow When a Crime of Domestic Violence, Dating Violence, Sexual Assault and Stalking is Reported</u>

Policy for Preparing the Annual Disclosure of Crime Statistics

The College coordinates the collection and reporting of crime statistics as specified in the *Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act (Clery Act)*. Each year, the College notifies all enrolled students and employees, via email, that they can view the report at: Annual Security Report.

Prospective employees and students are notified about the availability and location of the report via the online employee and student application process. This report is prepared in cooperation with the LSCO Safety and Security Department (SSD), Division of College Affairs, local law enforcement agencies, Division of Student Services, and the Office of the President. Each entity provides current information about its safety and security educational efforts and programs as well as statistical data. Annually, LSCO sends a written request to Campus Security Authorities (CSAs) requesting information about all Clery Act Crimes that occurred on LSCO's geography that were reported to them. LSCO does allow individuals to report crimes on a confidential, voluntary basis for inclusion in the annual

disclosure of crime statistics, except where the Safety and Security Department processes a crime using a pseudonym.

Reports of criminal activity given to CSAs and reports of crimes made to local law enforcement agencies are requested and included in the Annual Security Report as required by the Clery Act. "Campus Security Authority" (CSA) means an individual with responsibility for campus safety and security. This includes campus security; individuals who are responsible for monitoring buildings or campus grounds, or with similar security responsibilities who are not part of campus security; individuals or organizations specifically identified to receive reports

of criminal offenses; and College officials, but not limited to all deans, directors, department chairs, student services, Title IX team members, and advisors to student organizations.

All of the statistics are gathered, compiled, and reported to the College community via this report, which is published by the Office of College Affairs. The Office of College Affairs submits the annual crime statistics published in this brochure to the Department of Education (ED). The statistical information gathered by the Department of Education is available to the public through the ED website.
