Chief Executive Officer Report

TO: **Texas State University System Chancellor and Board of Regents**
FROM: **Dr. Thomas A. Johnson, Chief Executive Officer**
DATE: **September 22, 2023**
RE: **Chief Executive Officer Reporting Requirements under Tex. Educ. Code § 51.253(c)**

Under the Texas Education Code (TEC), Section 51.253(c), the institution's Chief Executive Officer is required to submit a report at least once during each fall or spring semester to the institution's governing body and post on the institution's internet website a report concerning the reports received by employees under the TEC, Section 51.252, concerning "sexual harassment," "sexual assault," "dating violence," or "stalking" as defined in the TEC, Section 51.251, and any disciplinary actions taken under TEC, Section 51.255.

For the purposes of complying with the Chief Executive Officer's reporting requirements under TEC, Section 51.253(c), the attached summary data report¹ (Appendix A) includes all of the required reporting information to the Texas State University System Chancellor and Board of Regents for the 2022-2023 academic year, as of August 31, 2023. The summary data in Appendix A is categorized based on the reporting requirements under TEC, Section 51.253(c). The reports received may be applicable in multiple reporting categories, and therefore, the summary data in the categories may not add up to the totals of other categories.

The summary data report is also posted on the institution's website as per the public reporting requirements under TEC, Section 51.253(c) at https://www.lSCO.edu/sexual-misconduct-title-ix/_documents/LSCO-CEO-THECB-Certification-FY23.pdf.

Note: Any additional reports received by the Title IX Coordinator that do not meet the required reporting criteria in the Texas Education Code have been omitted for the compliance purposes of this specific report.

¹ When identifiable, duplicate reports were consolidated and counted as one report in the summary data, and confidential employee reporting is noted as a sub-set to the total number of reports received.
